

We are excited to share that one of the Country's finest dental schools, the University of Pennsylvania School of Dental Medicine, through our state of the art facility, Penn Dental Medicine at Woods, is now offering dental care for our staff and their family members! Penn Dental Medicine provides world-class comprehensive, compassionate, patient-centered oral health care delivered by faculty dentists and postgraduate dental residents.

Services include:

- oral examinations
- cleanings (dental prophylaxis)
- oral cancer screening
- digital x-rays (reduction in radiation)
- occlusal guards (night guards)
- restorations (fillings composite, tooth-colored)
- crowns (caps)
- bridges
- dentures (complete and partial)
- root canals
- extractions
- scaling and root planning (deep cleanings)
- restoration of implants placed at Penn Dental Medicine at 240 South 40th St., Philadelphia
- teledentistry

Hours

Monday – Friday 9 am to 5 pm (last appointment is at 3:45 pm)

Insurance and Payments

Please make note that the Woods Delta **PPO** plan (not the DHMO plan) will allow you to take full advantage of Penn Dental Medicine at Woods Services. For staff who have the DHMO or who have no dental insurance, Penn provides low-cost dental care pricing that is the same as that charged to their undergraduate students and they offer payment financing through Care Credit.

Payment is due in full at the time of service and is accepted in the form of personal checks, money orders, credit/debit cards, or CareCredit.

To make an appointment, call 215-750-4004.

To cancel or reschedule, please give at least 48 hours' notice.

Just a reminder, open enrollment occurs every fall. To take advantage of the Penn Dental Medicine at Woods Delta Dental PPO plan, we encourage any employee on the DeltaCare DHMO plan to consider switching to the Delta PPO plan.
